- p19papa4

Education

Informatics

Ionian University

2019 -

Languages

- Greek (Native)
- English (Professional)
- German (Professional)

Interests

- Weightlifting
- Football
- Traveling

Profile

Currently I am studying Informatics in the Ionian University and I am in my third year of my studies. In the future I aspire to be a game developer because the thing I like the most about programming is that I actually get to play with what I created.

Experiences

In this point in time I don't have any real experience as I am focusing on getting my degree.

Skills & Proficiency

C++

Python

java

html5 and css
